The Complete Guide to ADHD

Nature, Diagnosis, and Treatment

Katerina Maniadaki, Technological Educational Institute of Athens and **Efthymios Kakouros**, Technological Educational Institute of Athens

This exciting new resource offers a comprehensive guide to Attention Deficit/Hyperactivity Disorder, the most frequently diagnosed neurodevelopmental disorder among children and one of the most researched areas in adolescent mental health. Inside readers will find a critical presentation of current scientific knowledge regarding the nature, etiology, diagnosis, and management of the disorder. The authors explore the topic from the perspective of researchers, academics, and clinicians while also offering a structured assessment procedure, a complete early intervention and treatment program, as well as illuminative case studies and practical tools for educators.
